

# Government of Pakistan National Disaster Management Authority Prime Minister's Office Islamabad

# **Tropical Depression (Emong)- Philippines**

#### **Affected Areas**

Northern and Central Luzon, Babuyan Islands and Batanes, Eastern waters of South China Sea, Southwestern Ryukyu Islands (including Okinawa), Marine zones north and west of Luzon

#### **Duration**

July 23-26, 2025

## **Hazard Types**

Heavy Rainfall: Risk of localized flash flooding and landslides

### **Hazard Summary**

TC 11W will intensify over water in 36 hours before turning north-northeastward over Luzon, weakening rapidly. Dissipation is expected in 3 days; forecast confidence is medium beyond 36 hours due to diverging model tracks.
