

# Weather Advisory (30<sup>th</sup> April to 5<sup>th</sup> May, 2026)

National Emergency Operation Centre – National Disaster Management Authority

## Punjab:

Scattered rainfall, with wind and thunderstorm, is expected across northern and central Punjab including Rawalpindi, Islamabad, Attock, Chakwal, Jhelum, Lahore, Faisalabad, Gujranwala, Sargodha, Mianwali, and surrounding areas. Temperatures will also steadily rise throughout the province.

## Balochistan:

The province is expected to remain mostly dry with warm conditions. The temperatures are expected to steadily rise under the influence of continental dry and warm air mass.

## Sindh:

The province is expected to remain mostly dry with warm conditions. The temperatures are expected to steadily rise under the influence of continental dry and warm air mass.

## KP:

Isolated rainfall with wind and thunderstorm is expected across upper and central districts including Chitral, Dir, Swat, Malakand, Kohistan, Abbottabad, Mansehra, Peshawar, Mardan, Swabi, Nowshera, Kohat, Kurram and surrounding areas. Isolated snowfall is also expected over higher altitudes. Day time temperatures are also expected to gradually increase.

## GB & AJK:

Isolated rainfall, thunderstorm, and strong winds are expected across Gilgit, Skardu, Hunza, Ghizer, Diamer, Astore, Neelum Valley, Muzaffarabad, Poonch, and surrounding areas. Isolated snowfall is expected over higher altitudes. Day time temperatures are also expected to gradually increase.
