

# Weather Advisory (8<sup>th</sup> to 13<sup>th</sup> Jan, 2026)

National Emergency Operation Centre – National Disaster Management Authority

## **Punjab:**

Cold and dry weather conditions are expected across the province. However, dense fog is likely during the morning and nighttime in most areas, while frost is expected in the Pothohar region.

## **Balochistan:**

Cold and dry weather is expected across the province. However, cloudy conditions are expected in different parts, along with a significant drop in temperature from 11<sup>th</sup> to 13<sup>th</sup> January 2026.

## **Sindh:**

Cold and dry weather with clear skies is expected across all provinces. However, fog is expected in the upper parts of the province.

## **KP:**

Cold and dry weather is expected across the province. However, cloudy weather is expected in upper parts, along with a significant drop in temperature from 11<sup>th</sup> to 13<sup>th</sup> Jan, 2026. Fog is also expected in plain areas of the province.

## **GB & AJK:**

Cold and dry weather is expected GB and AJK. However, partly cloudy conditions are expected in different parts with isolated light rain/snow over the hilly areas during 11<sup>th</sup> and 12<sup>th</sup> Jan, 2026.
